7. Adjournment

SECTION II

VECDD Outside Event Support Guidelines

REQUESTS

There are times when organizations or individuals approach us because they want to run an event or promote an idea that they believe is in the best interest of the District and its residents. We welcome this positive resident input and participation.

These individuals may provide us with a written proposal or schedule a time to present their idea at a Workshop. Proposals should be less than 5 pages and presentations should be less than 15 minutes long.

The Board will discuss and determine whether and how we are willing to support the proposed event.

DECISION-MAKING CRITERIA

- The event or document must benefit the CDD and a significant percentage of our residents.
- The event or document must educate, inform and/or entertain our residents.
- As a general rule, the Board prefers to support events that are based-on hands-on, family-friendly activities.
- Material for our distribution must be well-written and professionally designed. Our LifeStyle/Marketing team have the authority to approve or reject documented submitted for our distribution.
- The event must be available to all CDD residents

CDD SUPPORT OPTIONS

- Use of our properties, lakes, parks or facilities with appropriate liability waivers
- One or more social media posts that promote the event
- Post a flyer or brochure on one of our sites
- One or more Board members and/or employees may choose to attend and/or assist
- Provide small items or takeaways that support or promote the District, its facilities and goals

CDD WILL NOT:

- Support events that are at facilities other than our own
- Provide financial support for an event that is not our own
- Provide employee, telephone or IT resources for event registration.
